

Rose of York
Language School
London

SPECIAL OFFER

YOUNG LEARNERS

Our Young Learner courses are designed to help juniors **practise** and **develop** their **English** communication and language skills through a variety of **fun** and **interesting** activities. These courses can be tailored to meet the needs of specific groups and age ranges of students.

The course aims to:

1. generate an **interest** in and **understanding** of **British culture** through a variety of topics in a theme-based course connected to **excursions** and **activities**.
2. develop students' knowledge of **vocabulary**, **grammar** and **functional language**.
3. focus on **communicating effectively** in a variety of relevant and engaging situations.
4. help students develop **teamwork**, **independent study**, **communication** and the ability to make **international friends**.

In addition to classroom study, the programme includes a wide variety of **activities** such as **games**, **competitions** and **day trips**. Students will not only **learn the language** but also become more **familiar with British culture** through exploring **places of interest** in **London** and the surrounding areas.

WELFARE

Your child's welfare is our top priority. Your child will be cared for by our dedicated support team, which includes host parents, teachers and activity leaders 24 hours a day, 7 days a week.

All Rose of York staff must pass strict safeguarding checks, including the Children's Barred List and an Enhanced DBS (criminal record check). All staff have completed a course in Safeguarding and the welfare staff caring for your children also hold the Advanced Safeguarding Certificate.

A member of our team will meet your child in the arrivals hall at the airport and will accompany them to their homestay. On departure, your child is also escorted to the check-in desk for their flight back home.

Students under 14 will always be accompanied on their way to and from school and will be supervised 24 hours a day. Students that are 14 or over are supervised at school and at home but are allowed to travel on their own to and from school with their parents' consent.

On their first day at school your child will be welcomed by our welfare team, who will look after them and show them around the school, introduce them to the rest of the staff and other students.

ACCOMMODATION

Your child will stay in safe and secure homestay accommodation, with host families that have years of experience in welcoming young students and who have also passed strict safeguarding checks, including the Children's Barred List and an Enhanced DBS (criminal record check). Your child will be offered a choice of nutritious food at each mealtime; breakfast, lunch and dinner. Every menu includes a selection of hot and cold items including fresh fruit and vegetables.
